

## All Classes

- **IN-SCHOOL ENROLLMENT REPORTING** is taking longer than usual to be updated with the federal loan servicers. If you are being contacted for repayment, and enrolled, please double check with our office to make sure your enrollment has been reported to the National Student Loan Data System (NSLDS).
- **IF YOU HAVE AN UNPAID BALANCE** on your student account, you may not be able to register for spring. Be sure to review your mid-October bill and pay any outstanding balance.
- **DO YOU SEE A REFUND-TITLE IV CHARGE ON YOUR ACCOUNT?** This charge is from Accounts Receivable due to an ineligible Title IV charge on your account such as health insurance, parking, or bookstore purchases. A/R is depositing or mailing checks to the address on file. Simply return the refund by making a payment on your student account using the funds they sent. To correct this in the future and allow A/R to cover non-Title IV charges, please fill out the [Title IV Release Form](#) and send in to A/R.
- **IF YOU ARE BORROWING SPRING LOAN FUNDS** to pay for living expenses, your refund request should be submitted on or after January 2, 2025. Refunds will credit to your bank on or after 1/4/25.

## Class of 2025 News

- **DR. JEFFREY HANSON WILL BE RETURNING REMOTELY** for one-on-one student debt sessions the week of November 4. You can set up a free 45-minute zoom session [here](#).\* Please visit our [Financial Literacy & Planning page](#) for more useful tips and videos.
