

Your 2026–2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

Bring this completed Verification Worksheet and the ID to be copied in person to: Tulane University Financial Aid, Gibson Hall, Suite #130, 6823 St. Charles Avenue, New Orleans, LA or University Financial Aid, Suite #1213, 1440 Canal Street, New Orleans, LA

- The student's dependent children if they following are true:
 - They live with the student (or live apart because of college enrollment);

C. **Independent Student's Income Information to Be Verified** - The instructions below apply to the student and spouse, if the student is married. Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2024 or had a change in marital status after the end of the 2024 tax year on December 31, 2024. **Check the box that applies:**

- I, the student, will not file and am not required to file a 2024 income tax return with the IRS, **AND** I understand that I must **ALSO** complete and return a **2026-2027 Student Non-Filer Form**.
- I, the student, have filed a 2024 income tax return but have **ALSO** filed, or will file, an **AMENDED** 2024 IRS tax return and I understand that I must **ALSO** provide a signed copy of the **2024 IRS Form 1040X**, "Amended U.S. Individual Income Tax Return," that was filed with the IRS or documentation from the IRS that include the change(s) made by the IRS, in addition to one of the following:
 - Updated income and tax information from the IRS on an ISIR record with all tax information from the original tax return;
 - A **2024 IRS Tax Return Transcript** (that will only include information from the original tax return and does not have to be signed), or any other IRS tax transcript(s) that includes all of the income and tax information required to be verified; **or**
 - A signed copy of the **2024 IRS Form 1040** and the applicable schedules that were filed with the IRS.
- I, the student am required to file a 2024 IRS income tax return, and have been granted a **filing extension** by the IRS beyond the automatic six-month extension for tax year 2024, **AND** I understand that I must **ALSO** provide the following documentation:
 - A signed statement listing the sources of any 2024 income and the amount of income from each source;
 - A copy of the IRS's approval of an extension beyond the automatic six-month extension for tax year 2024;
 - A copy of IRS Form W-2 for each source of employment income received or an equivalent document for tax year 2024; **and**
 - If self-employed, a signed statement certifying the amount of the individual's Adjusted Gross Income (AGI) and the U.S. income tax paid for tax year 2024.
- I, the student have filed a 2024 income tax return.
As part of federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2024 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

If 2024 income tax return information for the student (or spouse, if applicable) was not available or could not be used, the student should provide the institution with a **2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules**. A **2024 IRS Tax Return Transcript** may be obtained through:

- Get Transcript by Mail – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to request the "Return Transcript" and NOT the "Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.
- Get Transcript Online – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript Online." Make sure to request the "Return Transcript" and NOT the "Account Transcript." To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS's two-step authentication.
- Automated Telephone Request – 1-800-908-9946. Transcript is generally received within 10 business days from the IRS's receipt of the telephone request.
- Paper Request Form – IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS's receipt of the paper request form.
