SATISFACTORY ACADEMIC PROGRESS (SAP):

- ▶ Students must make academic progress towards their degree by completing a minimum amount of credit hours and maintain a minimum grade point average each semester in order to remain eligible for federal aid consideration. The Financial Aid Office evaluates the Satisfactory Academic Progress (SAP) of every student after the completion of each semester.
- ▶ The three component of Tulane's SAP policy are:
 1. **Grade Point Average (GPA):**
 - Minimum cumulative GPA of **1.75** for 30 attempted hours or less;
 - Minimum cumulative GPA of **1.85** for attempted hours of more than 30 but less than 48;
 - Minimum cumulative GPA of **2.00** for 48 attempted hours or more.
 2. **Completion Rate:** Must successfully earn (pass) at least two-thirds of cumulative attempted credit hours (equates to successfully passing 66% of overall attempted hours).
 3. **Maximum Time Frame:** The maximum time frame for completion of an academic program must not exceed 150% of the primary program length specified in the catalog of each academic division. This means that a student's attempted and transferred credit hours cannot exceed 150% of the credit hours necessary for completion of their primary degree or certificate.
- ▶ To read the full SAP policy please visit – <https://financialaid.tulane.edu/resources/eligibility/sap>

ENROLLMENT CHANGES:

- ☐ SoPA students are billed per credit hour, and financial aid awards for SoPA students are based on actual registered hours of enrollment and/or enrollment hours as reported on the SoPA financial aid addendum.
- ☐ Dropping a class (reducing hours) may result in a Tulane student account being charged for the return of federal aid funds. Such action may negatively impact a student's eligibility for future federal aid (due to failure to meet the Satisfactory Academic Progress or SAP standards) and/or ability to register for subsequent semesters (due to a balance being owed to Tulane for return of federal aid).
- ☐ Please speak with your assigned financial aid counselor if you're considering dropping any classes.

RETURN OF FEDERAL AID:

- ▶ Federal regulations require Tulane to perform a "Return of Title IV" funds calculation for a student receiving federal student financial aid (Title IV aid) when a student officially **or unofficially** discontinues study for a semester for which Title IV aid was awarded.
- ▶ Please note that a student who begins attendance but **fails to earn a passing grade** in at least one course in the semester (and who did not officially withdraw) is considered as having **unofficially withdrawn**.
- ▶ IMPORTANT: If you are considering withdrawing from the institution or otherwise discontinuing study, please note that your financial aid may be adjusted, which means you may owe Tulane for the return of your federal aid funds to the Department of Education.
- ▶ For more details please visit: <https://financialaid.tulane.edu/resources/eligibility/title-IV>

NON-SOPA COURSES:

- ☐ SoPA students enrolling in non-SoPA courses (generally associated with higher prevailing tuition and fee rates) should speak with their assigned financial aid counselor to discuss additional financial aid options.

STEPS IF BORROWING STUDENT LOANS:

- ☐ Via the Tulane Gibson portal you **MUST ACCEPT** the level of Federal Direct Subsidized and/or Unsubsidized Loan that has been offered. Only after you have accepted a loan will Tulane officially submit certification of your loan(s) to the U.S. Department of Education for processing. Every year you must accept a level of loans offered to initiate the certification processing.
- ☐ If you're a first time borrower of a Federal Direct student loan you must complete a **Federal Direct Loan Master Promissory Note (MPN)**. Navigate to www.studentloans.gov to successfully complete the necessary on-line MPN. Once completed and loan funds disburse, the MPN is valid for up to 10 years.
- ☐ A first time borrower of a Federal Direct student loan you must complete Federal Direct Loan **Entrance Counseling**. This requires that you again navigate to www.studentloans.gov to successfully complete the necessary on-line tutorial referred to as Entrance Counseling. This step does not need to be repeated in future years; however you'll be required to complete similar on-line Exit Counseling upon the end of your Tulane enrollment.
- ☐ Recognize that your Federal Direct student loan(s) will not disburse at the start of the semester unless **all** MPN and Entrance Counseling have been successfully completed.
- ☐ Students wishing to borrow a non-federal, private alternative educational loan should review the informational material Tulane provides on this topic, which is found on our website: <https://financialaid.tulane.edu/types-of-aid/loans/private-alternative>. Other private loan lenders may be found in addition to those identified on the aforementioned website. The choice of lender is yours.
