Institutional Assistance

Scholarships, Tuition Waivers, health insurance support, and non-service stipends will be included as a resource in determining financial aid eligibility and will reduce eligibility for educational loans.

Withdrawals

- A student who begins attendance but **fails to earn a passing grade** in at least one course during the semester (and did not officially withdraw) is considered to have **unofficially withdrawn**.
- **IMPORTANT:** If you are considering withdrawing from the university or otherwise discontinuing study, please note that official and unofficial withdrawals are subject to financial aid adjustments that may result in a balance owed to Tulane.

Satisfactory Academic Progress (SAP)

- Students must make academic progress towards their degree by completing a minimum amount of credit hours and maintain a minimum grade point average each semester in order to remain eligible for federal aid consideration. The Financial Aid Office evaluates the Satisfactory Academic Progress (SAP) of every student after the completion of each semester.
- Tulane's SAP Policy Components:
 - **Grade Point Average:** Minimum cumulative GPA of 3.00 for graduate students
 - **Completion Rate:** Must successfully earn (pass) at least two-thirds of cumulative attempted credit hours (equates to successfully passing 66% of overall attempted hours).
 - **Maximum Timeframe:** The maximum time frame for completion of an academic program must not exceed 150% of the primary program length specified in the catalog of each academic division. This means that a student's attempted and transferred credit hours cannot exceed 150% of the credit hours necessary for completion of their primary degree or certificate.
