Subject: Recent Changes That Affect the Amount of Your 2012-2013 Federal Pell Grant

Dear First:

We want to alert you to a recent change in the law that affects your Federal Pell Grant award for the 2012-2013 school year and beyond. This change limits the total number of years a student may receive a Pell Grant to the equivalent of six years.

Based on our records, you have received more than five years of Pell Grant funding. This means that the amount of your 2012-2013 Pell Grant award will be less than the amount you would have been eligible to receive if the law had not changed. Note that you still may be eligible for other federal, state, and school financial aid.

For information on how we calculate the "equivalent of six years" click on the following link: [www.studentaid.ed.gov/pell-limit](http://www.studentaid.ed.gov/pell-limit).

If you have questions about the information in this e-mail, please contact your school's financial aid office.
